Direct Recruitment

Looking for great people or extra ordinary talents to join your organization?

In the game of business, every organization seeks to recruit the best talents. However, it's a very little that succeed in finding such with some great attitudes. We at ManPowerSrilanka.com open our direct recruitment service to all corporates, private, government, non-governmental and public sectors seeking to acquire such talents.

Through our ever growing candidate's database, we will find the perfect candidates shortlisted with the right qualification and experience to your organization without the hassle of advertising, shortlisting, lining up candidates, hours of interviewing etc. Whether it's in terms of a permanent, temporary or even voluntary positions, we specialize in providing the service to cater and fulfil your requirements.

Executive Search & Headhunting

Identifying and attracting to acquire the most suitable top talents for high end positions in an organization at a given time is never an easy task, especially when positions that are confidential or need immediate recruitment without listing it publicly or any other form of advertising. Most of the organizations do not have enough time to go through this process or have direct access to the expected executive network directly as it consumes a lot of time.

It is our day to day job and our team has the skills, tools, resources and biggest executive network connections in Sri Lanka to meet the potential candidates in person and convince your offers available for them to participate in your recruitment process. If your company has its eyes set on 'the best', then we are assured with quality services developed around our clients backed by a dedicated team of experts working around the clock. Provide us your executive search and headhunting requirements to be fulfilled and we will take care the rest starting from the evaluation and research on the industry to the background checks and final profiling and lasting results.

Jobs Marketing

We will help you simplify your tasks, focus on your goals, and achieve results. That's because we're a leading manpower recruitment solution provider who brings the best employers, agencies and employees in Sri Lanka together. Serving as the link between your organization and the attracting candidates, we provide a platform which facilitates the advertising of latest job vacancies. Displaying the right advertisement at the right place will not only attract the potential skills but would also make the recruitment much faster. Whether it's for local or overseas vacancies, we facilitate the virtual hunt for qualified employees at the comfort of your fingertips.

- Online advertising portal only focused at the latest job opportunities at concessionary rates with attractive features such as unlimited job posts, featured options such as “Top Jobs”, “Featured Jobs”, “City / Country wise Jobs”, “Latest Job Orders”, Featured Agencies, Featured Employers, Direct CV Delivery, Employer Micro Websites, Multiple user logins, Social Media Post, News Paper Post and many more.
- The support of qualified and experienced results delivery team, competent to assist your organization in your end-to-end recruitment process.
- A true service from the heart. Highly committed towards confidentiality, professionalism, integrity and ethical conduct.

HR Consulting

The HR consulting service provided exclusively by our team of professionals and experts in the industry, is designed to align simple, daily HR practices with the overall business operations. Apart from the recruitment and headhunting services, through this service we offer the tools and resources to create the constantly demanded 'value' of your organization and safeguard your company from HR related legal mishaps that could happen. We also offer tailor made HR services and the best practices available that are flexible with your operations whilst maintaining confidentiality and smoothness.

Your organization can be small, medium or large enterprise, we can assist you to identify the real needs of our service, develop a good action plan and facilitate changes to enhance the success.

Payroll Outsourcing

Our service of payroll outsourcing, enables organizations to outsource their employee's payroll with the responsibility been borne by our professional experts, focused on accuracy and timeliness. Thus, enabling the organization to reach greater heights in performance by focusing on primary operations while save time and money. Our guaranteed confidentiality, comprehensive documentation coupled with safeguarded systems and backups will no doubt provide a stress free and cost effective payroll process. Our services are flexible and affordable.
